

SONEVA FUSHI, Maldives,
July 2013
5° 06' N, 73° 04' E

"It is the early hours of the morning on Soneva Fushi in the Maldives, a wonderful, totally unspoiled island. The suitcase is in the distance on a tricycle, ready to leave. And indeed, on the other image, all you can see is its imprint in the sand. It is there and no longer there - the very essence of travel."
